Dear Parents/Guardians:

The administration at Butler County Area Vocational-Technical School (BCAVTS) always strives to ensure that your child's educational experience is as safe as possible. To that end, BCAVTS has contracted with Butler Area School District to share an armed School Police Officer (SPO) for the BCAVTS campus.

The SPO is contracted to be on our campus while students are present and will function much the same way SPOs operate at the schools throughout the county that already employ SPOs. For example, the SPO will assist with safety within the established school boundaries, serve as a liaison between the school, police, and the surrounding community, while being a positive presence at BCAVTS.

While BCAVTS has enjoyed a safe existence, we still believe it is important to be prepared in case of an emergency. Having a trained SPO will help to ensure that your child's experience here will be safe and productive.

Sincerely,
