

Section: Narratives - Assessing Impacts and Needs

CTC ARP ESSER APPLICATION

The Pennsylvania Department of Education (PDE) recognizes the extraordinary efforts made by career and technical centers (CTC), and educators to support students during the COVID-19 pandemic. The application below requests information from CTC about: (1) Needs and impacts resulting from the pandemic, (2) Stakeholder engagement in the development of local plans to respond to these needs and impacts, (3) Specific elements in the CTC Plan for the Use of ARP ESSER Funds; and (4) Plans for monitoring and measuring progress. As submitted and accepted by PDE in final form, this application shall become part of the Grant Agreement for ARP ESSER funds as Appendix B. As used in this application, "the CTC" refers to the Grantee defined in the Grant Agreement.

ARP ESSER includes a significant focus on vulnerable student populations. Given these requirements, as well as PDE's own equity commitments, the CTC application includes specific fields requesting information on programs to serve student groups that have experienced disproportionate impacts from the pandemic. Student groups are inclusive of the following:

- Students from low-income families;
- Students from each racial or ethnic group (e.g., identifying disparities and focusing on underserved student groups by race or ethnicity);
- Gender (e.g., identifying disparities and focusing on underserved student groups by gender);
- English learners;
- Children with disabilities (including infants, toddlers, children, and youth with disabilities eligible under the Individuals with Disabilities Education Act [IDEA]);
- Students experiencing homelessness;
- Children and youth in foster care;
- Nontraditional
- Single Parent
- Military Family
- Migrant students; and
- Other groups disproportionately impacted by the pandemic that have been identified by the LEA (e.g., youth involved in the criminal justice system, students who have missed the most in-person instruction during the 2019-2020 and 2020-2021 school years, students who did not consistently participate in remote instruction when offered during school building closures, and LGBTQ+ students).

Section I: Assessing Impacts and Needs

In this first section, CTCs are asked to describe the impact of the pandemic on their students, examine disproportionate impacts on specific student groups, and highlight the CTC's promising practices in supporting student needs since March 2020.

Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the CTC has identified or will identify

the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Academic/Technical impact of lost instructional time, (2) Chronic absenteeism, (3) Student engagement, and (4) Social-emotional well-being?

	Methods Used to Understand Each Type of Impact
Academic/Technical Impact of Lost Instructional Time	Local, State, and National Assessments
Chronic Absenteeism	Collecting and analyzing data and information from focus groups and local assessment results
Student Engagement	Local, State, and National Assessments and Collecting and analyzing data and information from focus groups
Social-emotional Well-being	Collecting and analyzing data and information from focus groups and Surveys
Other Indicators	Local, State, and National Assessments and Collecting and analyzing data and information from focus groups, and Surveys

Documenting Disproportionate Impacts

2. Identify the **student** groups in the CTC that faced particularly significant impacts from the pandemic. For each, provide specific strategies that were used or will be used to identify and measure impacts.

Student Group	Provide specific strategies that were used or will be used to identify and measure impacts
Other groups disproportionately impacted by the pandemic that have been identified by the LEA (See Help Text for examples)	Local, State, and National Assessments and Collecting and analyzing data and information from focus groups, and Surveys

Reflecting on Local Strategies

3. Provide the CTC's assessment of the top strategy that has been most effective in supporting the needs of students, in particular specific student groups most impacted by the COVID-19 pandemic. Strategies two and three below are optional.

	Strategy Description
Strategy #1	BCAVTS will focus on educating, providing certifications for students, technology upgrade, improving classroom instruction areas, assistance with mental health issues, gap learning, equity, and maintain health and safety of students and staff at BCAVTS while continuing quality education as a result of COVID-19. BCAVTS will address each need on an individual basis to improve learning and/or assess learning gaps that occurred as a result of COVID-19. BCAVTS will address mental health issues and maintain health and safety needs of all students and staff during school year. BCAVTS will remove barriers

Section: Narratives - Engaging Stakeholders in Plan Development

Section II: Engaging Stakeholders in Plan Development

In this second section, CTCs are asked to provide information on how stakeholders will be engaged in planning for the use of ARP ESSER funds, how stakeholder input will be utilized, and how the CTC will make its CTC Plan for the Use of ARP ESSER Funds transparent to the public—all critical components in developing, implementing, and adjusting plans based on the differential impacts of the COVID-19 pandemic.

4. Stakeholder Engagement

Describe how the CTC, in planning for the use of ARP ESSER funds, has engaged or will engage in meaningful consultation with stakeholders. **(3,000 characters max)**

(Stakeholders include any relevant group to the CTC, such as students; families; CTC and sending district administrators (including special education administrators); teachers; principals; school leaders; other educators; school staff; and unions. In addition, to the extent that the following groups are present in or served by the CTC, stakeholders also include community partners, civil rights organizations (including disability rights organizations); stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children and youth in foster care, migrant students, children who are incarcerated, and other underserved students; and tribes.)

BCAVTS has two annual stakeholders meeting during each school year. BCAVTS will continue to discuss strategies and solutions during BCAVTS' Stakeholders Meetings. Stakeholders for BCAVTS include representatives of postsecondary educational institutions, local workforce development boards and a range of local and regional businesses and industries, parents and students, special populations, regional and local agencies serving out-of-school youth, homeless children and youth, and at-risk youth, local school districts' administration and staff, and BCAVTS administration and staff.

5. Use of Stakeholder Input

Describe how the CTC has taken or will take stakeholder and public input into account in the development of the CTC Plan for the Use of ARP ESSER Funds. **(3,000 characters max)**

BCAVTS has two annual stakeholders meeting during each school year. BCAVTS will continue to discuss strategies and solutions during BCAVTS' Stakeholders Meetings. All suggestions from stakeholders input will be taken into account in developing BCAVTS' Plan.

6. Public Access to LEA Plan for the Use of ARP ESSER Funds

Describe the process for development, approval, and making public the CTC Plan for the Use of ARP ESSER Funds. The CTC Plan for the Use of ARP ESSER Funds must be made publicly available on the CTC website and submitted to PDE within 90 days of LEA receipt of ARP ESSER funding, must be written in a language that parents/caregivers can understand, and must be provided in alternate format upon request by a parent/caregiver who is an individual with a disability. **(3,000 characters max)**

The process for the development and approval of the ARP ESSER CTC Set Aside Grant - Plan for Use of Funds occurred through the organization of two annual stakeholders' meetings. During the meetings, the development of the plan occurred through discussions related to meeting the needs of the CTC staff, students and families regarding the prevention, in response to or as a result of COVID 19. The final approval of the plan was an agreed upon consensus from stakeholders. BCAVTS will post the Plan for Use of Funds on the CTC website. www.butlertec.us. In addition, BCAVTS's Plan will be submitted to PDE within 90 days of LEA receipt of ARP ESSER funding. The plan will be written in a language that parents/caregivers can understand, and will be provided in alternate format upon request by a parent/caregiver who is an individual with a disability.

Section: Narratives - Plan for ARP ESSER Funds

Section III: Using ARP ESSER Funds to Plan for Safe, In-Person Instruction

In this third section, CTCs are asked to reflect on both the impacts and needs described in Section I and stakeholder engagement described in Section II to provide a description of the CTC plan for the use of ARP ESSER funds.

7. Plan for Funds

How will the CTC spend its ARP ESSER funds as outlined in the fields below ? **(3,000 characters max)**

1. Continuity of Services: How will the CTC use ARP ESSER funds to sustain services to address students’ academic needs; students’ and staff social, emotional, and mental health needs; and student nutrition and food services?
2. Access to Instruction: How will the CTC use ARP ESSER funds to support the goals of increasing opportunity to learn and equity in instructional delivery? Consider regular attendance/chronic absenteeism data from the 2020-21 school year, including data disaggregated by student groups, in developing the response.
3. Mitigation Strategies: How will the CTC use ARP ESSER funds to support prevention and mitigation policies in line with the most up-to-date guidance from the Centers for Disease Control and Prevention (CDC) for the reopening and operation of school facilities and transportation services to effectively maintain the health and safety of students, educators, and other staff? Consider the LEA’s Health and Safety Plan in developing the response.
4. Facilities Improvements: How will the CTC use ARP ESSER funds to repair and improve school facilities to reduce risk of virus transmission, address environmental health hazards, and/or improve ventilation? Consider the LEA’s Health and Safety Plan in developing the response.
5. Other, i.e summer school, extended day, and staffing

Plan for Funds	Explanation
Continuity of Services	Purchase a contracted service agreement for IT Consultants to assist with the instruction for CTE staff and students for the 20-21, 21-22 and 22-23 school year.’
Mitigation Strategies	Purchase materials and supplies for a HVAC Upgrade and installation, including HVAC software and new Graphical Interface ADS server. The HVAC upgrade will assist in providing and maintaining BCAVTS facilities. The HVAC software includes ventilation software to increase air flow when BCAVTS is occupied.
	Purchase supplies for allowing physical distancing and making appropriate accommodations for

Plan for Funds	Explanation
Facilities Improvements	students and staff with respect to health and safety policies and coordination with state and local health officials throughout BCAVTS. No Single Item cost \$5,000.00 or more
Other, i.e summer school, extended day, and staffing	Hiring one additional instructor and two new staff to fund the salaries and benefits for school year 20-21, school year 21-22, and school year 22-23 as needed to accommodate and focus on educating, providing certifications for students, technology upgrade, improving classroom instruction areas, assistance with mental health issues, gap learning, equity, and maintain health and safety of students and staff at BCAVTS while continuing quality education as a result of COVID-19.

Section: Narratives - Monitoring and Measuring Progress

Section IV: Monitoring and Measuring Progress

In this fourth section, CTCs are asked to describe efforts to build local capacity to ensure high-quality data collection and reporting to safeguard funds for their intended purposes.

8. Capacity for Data Collection and Reporting

CTCs must continuously monitor progress and adjust strategies as needed. Describe the CTC's capacity and strategy to collect and analyze data (disaggregated by student group, where applicable), for each of the following measures:

	Data Collection and Analysis Plan (including plan to disaggregate data)
Student learning, including academic impact of lost instructional time during the COVID-19 pandemic	Local, State, and National Assessments will be collected for each BCAVTS program during the school year.
Opportunity to learn measures (see help text)	Collecting and analyzing data and information from focus groups and local assessment results will be collected for each BCAVTS program during the school year.
Jobs created and retained (by number of FTEs and position type) (see help text)	FTE's will be created and retained during school year 20-21, 21-22, & 22-23. One Instructors and two instructor Aides = 186 days and Staff = 260 days
Participation in programs funded by ARP ESSER resources (e.g., summer and afterschool programs)	No ARP ESSER CTC set aside funds are being used for programs before school, after school and during the summer months.
Impact of Student Social and Emotional Needs	Collecting and analyzing data and information from focus groups and Surveys will be collected for each BCAVTS program during the school year.

Section: Narratives - ARP ESSER Prior Approval

ARP ESSER PRIOR APPROVAL

CTC's that wish to expend ESSER funds on facilities initiatives may be permitted to:

- make facility upgrades to comply with American Disabilities Act requirements
- upgrade HVAC systems
- remediate mold, lead, and other sources of poor indoor air quality
- install mechanical ventilation and/or advanced filtration systems
- replace windows to allow for improved intake of fresh air
- replace plumbing to ensure safe drinking water—among other upgrades that improve the health and safety of school buildings.

All **capital expenditures** supported with federal funds must be pre-approved by PDE. Capital expenditures means expenditures to acquire capital assets (i.e., land, facilities, or equipment over \$5,000 per unit) or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to capital assets that materially increase their value or useful life.

Construction means (A) the preparation of drawings and specifications for school facilities; (B) erecting, building, acquiring, altering, remodeling, repairing, or extending school facilities; (C) inspecting and supervising the construction of school facilities; and (D) debt service for such activities (ESEA section 7013(3), 20 U.S.C. § 7713(3)).

Directions: School Entities seeking prior approval for Construction/Renovation or Other Capital Expenditures must:

Complete the form for each contractor/project that will be supported with ARP ESSER funds. If using multiple vendors for one project, i.e., classroom expansion, enter total cost per vendor to equal the total budgeted cost of the "classroom expansion" project. Completed forms must be uploaded to this section. Prior to uploading forms, they must be signed off by your School Entity's Superintendent/CEO/Executive Director.

Will you be using a portion of your ARP ESSER funds for Construction and/or Other Capital Expenditures? If no please select 'No' and mark section complete.

Yes

In the table below, please provide the name and type (construction vs. other capital expenditure) of the proposed project and a brief description. Please enter each contractor/project on a separate line in the table.

Name of Proposed Project	Type of Project	Brief Description of Proposed Project
Upgrading Facility	Capital Expenditure	Modifying, repairing, and improving facilities to allow for physical distancing and making appropriate accommodations for all students with respect to health and safety policies and coordination with state and local
