An Open Letter to the Staff, Students, Parents and Community of the Butler County Area-Vocational Technical School:

The on-going Covid-19 virus has completely turned our lives upside down. There have been many governmental demands creating an enormous amount of additional unplanned effort for the staff, students and parents of the Butler County Area Vocational-Technical School (BCAVTS).

We would like to take this opportunity to acknowledge the sincere respect and deep appreciation we have for our dedicated and unselfish staff in meeting these difficult challenges.

Under the experienced leadership of Executive Director Mr. Kurt Speicher and Assistant Director/Principal Dr. Regina Hiler, our staff is working to provide the best possible career and technical education instruction possible under the governmental circumstance in which we find ourselves.

Our BCAVTS team has worked tirelessly to meet the challenges of the changes brought on by this situation. Staff members have unselfishly worked to meet the needs of our students.

In conclusion, we can only applaud with the sincere respect and deep appreciation that we all share for the entire BCAVTS team. Everyone has contributed to this unbelievable effort. It has brought together so many people in the community to help the students in our districts. It is our sincere hope and wish that students will return to the classrooms as soon as this crisis is no longer a threat to the health and well-being of the community.

Sincerely,

Butler County Area Vocational-Technical School Joint Operating Committee:
