

Welcome to

COLLISION REPAIR

The following items will be purchased at the beginning of the school year to be worn as uniform/proper protective clothing. Uniform clothing will be ordered through Model Apparel at (<https://butlercountyvo-techschool2023.itemorder.com/>) Uniforms ordered Prior to September 14 will be organized for pick up by the school. Any uniform orders placed after Sept. 14 will require shipping to be paid for and will be sent to the home address.

PROPER PROTECTIVE CLOTHING/UNIFORM

Long sleeve t- shirt

Short sleeve t- shirt

Work pants

Students must know their waist and length size. The sizing for the required work pants is comparable to the sizing of Dickies work pants.

A short sleeve t-shirt can be worn in the shop on hot days. A long sleeve t-shirt must be worn in the paint booth; therefore, if a student only wants to purchase one t-shirt, it must be a long sleeve t-shirt.

Students will also need a three-ring binder for the classroom. All binders must be in the classroom within the first week of school. This is the students' first assignment. It is worth 20 points.

Thank you,

A handwritten signature in cursive script that reads 'Daniel Peters'.

Mr. Peters
